COUNCIL COMMUNICATION

AGENDA TITLE: Purchase of Tractor/Loader with Backhoe for Water/Wastewater Division (\$54,980)

MEETING DATE: November 15, 1995

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution to purchase a tractor/loader with backhoe for the Water/Wastewater Division from the second low bidder, Reed Equipment Company, of Stockton, in the amount of \$54,979.43.

BACKGROUND INFORMATION: Funds to purchase a tractor/loader with backhoe for the Water/Wastewater Division were approved in the 1995\96 operating budget. This tractor/loader with backhoe will replace Unit No. 04-033 currently being used by the Water/Wastewater construction crew. Upon its replacement, the existing unit will be transferred to White Slough to replace an older tractor performing lighter duty, as approved by the City Council on October 18, 1995.

Per the Council Communication approving the specifications and advertisement for bids, the old tractor, No. 04-194, will either be considered for trade-in value, disposed of through auctioneers Roger Ernst and Associates of Modesto, or through sealed-bid auction.

Five bids were received and a bid summary is attached. The low bidder, Stockton Ford New Holland, did not meet the specifications. The second low bidder, Reed Equipment Company, did.
